We are excited to share Levi's love of Sports Social with:

The "Levi" Summer Camp Scholarship Program

Levi was born in Whittier, California, on August 13, 2006 to Kevin and Sarah Ebel. At the age of two, Levi was diagnosed with autism and began receiving ABA services through The Lovaa's Center. In 2013, Levi and his family began traveling to Las Vegas every summer, so Levi could participate in the summer camp program at Sport Social. He loved the friends he made. Levi was an incredibly unique 14-year-old boy who loved music, art, the Muppets, Jim Henson, Van Gough, and Metalica. He had two older sisters, Lexie and Lanie, and three older brothers Vladimir, Dimitri, and Landon whom he adored very much. Levi passed away on January 11, 2021 due to complications from a seizure.

In love we build friendships and communities and when grief takes our breath away, these connections step in and become our strength.
